

CUSTOMER ENVIRONMENTAL POLICY

ENVIRONMENTAL POLICY:

Alpha Cladding aims to contribute towards the improvement of the environment and supports good practice.

When pricing for works the following are considered:

- ✓ Compliance with control standards as a minimum requirement;
- ✓ Use of recyclable materials;
- ✓ Use of materials requiring minimum production costs;
- ✓ Use of systems that can be improved rather than replaced in the future;
- ✓ Minimise site waste;
- ✓ Use of natural light;
- ✓ Use of systems which require minimal maintenance;
- ✓ Reduce office paper systems;
- ✓ Minimise disturbance caused by our activities;
- ✓ Engage with customers to help improve standards;
- ✓ Reduce pollution and energy spend;
- ✓ Involve employees in the improvement of environmental performance;
- ✓ Respond to complaints promptly;
- ✓ Listen to ideas.
